Bookends Goes Electronic!

As part of an ongoing effort to make our newsletter ever better for our members it has been decided that this will be the last printed issue of Bookends. Hereafter you will find much more innovative layout and design, longer articles on upcoming events, many photographs, and the liberal use of color, all made possible by sending our news to you via e-mail. Increasingly complex and expensive postal regulations have made it difficult and costly to continue to reach members via mailed printed matter. The electronic format will save money and time as well as assure the promptness and delivery of your Bookends. For those of you who do not have e-mail, do not worry because we will continue to mail paper copies if requested. Please fill out the form below and mail it to:

Friends of Spring Hill College Library

OR E-mail the information requested on the Delivery Request Form to: jkraft@sbc.edu
