Prepared Statement .................................................................................................................. 88
Prepared Statement .................................................................................................................. 90

notice the expert witness affiliations
look first for prepared statements
then look for additional materials submitted with the testimony
Joint Statement for the Record

U.S. House of Representatives
House Subcommittee on Immigration, Citizenship, Refugees, Border Security and International Law

"Proposals for Improving the Electronic Employment Verification and Worksite Enforcement System"

April 26, 2007

Submitted on behalf of

Air Conditioning Contractors of America
Associated Builders and Contractors
Associated General Contractors
Mason Contractors Association of America
National Association of Home Builders
National Roofing Contractors Association
National Utility Contractors Association
Plumbing-Heating-Cooling Contractors – National Association

industries very much impacted by current and proposed policy and legislation
witnesses usually get right to their main points
witnesses articulate the real impact and consequences of policy, legislation, etc.
prepared statements and supplemental material often provide references to data, primary sources, lists of references, etc.
In this case, in digital

Remember to watch for point-of-view
